BTW, I'm also happy to discuss your Video idea with you as well. I've been giving a lot of thought to Video. In fact, as Eric mentioned, we have a Video GPS this Friday.

I'm glad you think so. The ideal situation would be for us to find a SPD for Book Search in Japan who might be able to start by the Book Fair Japan dates, in which case Tom or Jim could go out and accompany them in meetings...

Norio, Tomoe and Hiroto,

Greetings! I've wanted to visit for a while to introduce myself properly and it seems that there is an opportunity to do just that.

Jim Gerber and I would like to come visit you in Tokyo on June 12-13 if possible. We both thought it would be a good opportunity to help interview some potential SPD candidates as well as meet with some publishers. I thought it'd be a good idea for Jim and I to pitch in and work together with you on two clear priorities: hiring and closing our first publisher deals, especially since we'll be launching in Japan this week.

Please confirm, and we'll our travel plans. There is a book fair in China afterwards, so we'll want to coordinate schedules accordingly.

Thank you. I look forward to meeting you in person!

Dave
